## ARREST ENLISTED MAN FOR ATTEMPT TO BLOW UP YACHT

Presidential Yacht is Object Of Bombing Attempt

Federal Officers Think Plot May Have Been Widespread

Man With Infernal Machine Fails to Put in Appearance

(By Associated Press)

Washington, February 15.—An enlisted man of the Navy is under arrest at the navy yards here in connection with an alleged plot to blow up the presidential yacht, Mayflower.

Secret service operatives and the Washington police are working on the case, it was stated today, proceeding on the theory that the plot may have extended to the ship and other vessels at the navy yards.

The man under arrest, whose name was not divulged, was said to have approached a superior officer and offered him a bribe to allow a package supposed to have contained a bomb to be brought aboard the Mayflower at a certain hour.

Secret service agents were notified and the man was arrested. The man was alleged to have made an appointment with another person at a park here where he was supposed to receive the package, which was kept by the secret service men but the package was not delivered.

## EIGHT KILLED ABOARD TRAIN IN AN AMBUSH

Irish Republican Forces Use Bombs

Many Others Sustain Serious Wounds

(By Associated Press)

Cork, Ireland, February 15.—Five male passengers and one woman passenger and two members of the Irish Republican army were killed today when a passenger train carrying troops was ambushed near Kinsale, by Republican forces armed with bombs and rifles.

Six soldiers, two railway officials and two women passengers were seriously wounded and several others slightly wounded.

## SOLDIERS MAY BE WITHDRAWN

(By Associated Press)

Washington, February 15.—Unless Governor Cornwell, of W. Virginia, requests the presence of Federal troops at Williamson, W. Va., during the Matewan trial the United States soldiers will be withdrawn tomorrow, Senator Sutherland of West Virginia was informed today by Secretary Baker.

## SUGAR OUTPUT BREAKS RECORD

2,605,174,000 Pounds Produced Last Year

Production Fully Fifteen Per Cent. Above Normal

Large Acreage And Favorable Weather

(By Associated Press)

Washington, February 15.—American sugar production in 1920 broke all previous records. A preliminary announcement today by the Bureau of Crop Estimates placed the aggregate production of beet and cane sugar for the year at 2,605,174,000 pounds, a fifteen percent increase over the previous record output in 1916 and fifty-three percent more than was produced in 1919.

Larger acreage and favorable weather are held accountable for the increase. The United States is said to produce about one fourth of the sugar it consumes.

The announcement notes that the 1918 consumption was about average, despite the popular impression of a sugar shortage, and that the 1920 figure showed an increase of a billion pounds in total consumption over the previous years.

## MUST PAY FINE FOR 'LEGGING'

(By Associated Press)

Columbus, O., February 15.—Abe Hoffrichter of Steubenville will have to pay a fine of \$500 for violation of the liquor laws, the State Supreme Court held today. He was found guilty by the mayor of New Alexandria. Hoffrichter was prosecuted under the section providing penalties for sale of liquor "in violation of law." He claimed that he had not violated any particular statute.

## Smoldering Fires Break Into Blaze Over Probe Measure.

Resolution Adopted Calling on President to Account for War Fund Expenditures.

Democrats Charge Bill Framed to Defame Retiring Executive.

(By Associated Press)

Washington, February 15.—After heated debate, the House late today adopted a resolution calling upon President Wilson for an itemized statement showing disbursements and allotments of the \$150,000,000 war funds voted by Congress.

The resolution, which was adopted 211 to 79, was attacked by Democrats, who charged that it was put forward at this time to defame and malign President Wilson in the closing days of his administration.

Reference to expenditures by the American Peace Commission at Paris fanned the flames on the Democratic side and turned the debate into strictly partisan channels.

Chairman Good of the Appropriations Committee, who reported the resolution introduced by Representative Gould, Republican New York, declared that if any in justice had been done the President, the Democrats were responsible by attempting to create the impression that "there was something crooked in the money spending."

Mr. Good declined to offer an amendment calling upon the various government departments for an accounting, which was the method adopted, Democrats stated in asking for an accounting of Spanish war funds in President McKinley's days.

LAUDS WILSON

"The American people will never forget the great achievements of Woodrow Wilson," said Representative Byrnes, Democrat, Tennessee, and his name will fill the brightest pages of history after his detractors are dead and forgotten.

Representative Rogers, Republican, Massachusetts, attacked reported expenditures of the place commission at the Hotel Crillon in Paris calling attention specially to an item of \$125,000 for damage to the hotel property. He said he did not know if chandeliers were in the damaged list or what hour of the morning they might have been broken.

"The acting Secretary of State was unable to give details of the Paris expenditures," Mr. Rogers said. "Wages of hotel employees amounted to \$131,000. There was another item of \$14,000 for automobiles when the streets of Paris were overrun with American cars." Representatives Byrnes, South Carolina, and Dewalt Pennsylvania, Democrats, bitterly assailed the resolution, Mr. Byrnes insisting that Congress, after the Spanish war, did not attempt to insult McKinley.

CHARGES PEANUT POLITICS

Mr. Byrnes said he did not believe there was a man small enough to question the honesty of the President, "or no peanut politician small enough to question the amount paid for his food."

"I charge that the purpose of this resolution," said Mr. Dewalt, "is to defame and malign President Wilson. And here you come," he declared, turn-

ing to the Republican side, "with a resolution to examine his laundry bills." Turning upon Representative Rogers Representative Rayburn, Democrat, said:

RAYBURN BITTER

"In the fourteen years of my legislative services I have seen some pretty small men and some pretty small acts, but never in that time have I seen so small a performance as that enacted a moment ago by the gentleman from Massachusetts."

"Last fall I was surprised and shocked that the President's personal life and character should be dragged through the mire and the heart in his emaciated frame wrung by the slander."

"I wondered then where they came from, and I wonder now if they originated in Massachusetts. In God's name, when will small men cease this campaign of slander and abuse on the retiring President? The big men of the Republican Party never engage in it. They may differ as to questions of great policy, but it never allowed them to stoop to defamation of character."

Closing debate, Mr. Good said the resolution was first introduced last May calling for expenditures and that the President's Secretary had reported only allotments.

After the vote had been announced, Mr. Good asked that a resolution of a similar nature be tabled.

"Is that the last official insult a mad majority intends to offer the President?" shouted Representative Garret, Democrat, of Tennessee. Mr. Good replied that no insult had been intended.

## GUTHREY BERATES PART OF SENATE

Accuses Them of Playing Peanut Politics of The Worst Kind.

Head of Board of Administration Hotly Defends Action

Brands Statement of Governor And Solons as "Damnably Lies."

(By Associated Press)

Columbus, O., February 15.—Members of the State Senate opposing the purchase of land for an additional institution for the feeble minded were charged with "playing peanut politics" by I. S. Guthrey, president of the State Board of Administration, in defending action of the board in the purchase of the Crawford county site before the Senate Committee on Benevolent Institutions this morning.

Social workers from Cincinnati, Toledo, Columbus and elsewhere opposed the plan proposed in the bill offered by Senator Miller of Muskingum county, to abandon the Crawford county site and build on the state-owned farm at Orient, near Columbus.

They all urged pressing need of an additional institution, estimates of the number of feeble minded children in the state varying from 7,000 to 20,000.

"Instead of playing peanut politics here for ten weeks trying to besmirch-

## VIOLENCE WILL NOT SOLVE THE IRISH TROUBLE SAYS KING

the character of someone, you ought to be looking after these poor unfortunate children." President Guthrey declared, shaking a finger at Senator Miller, author of the bill.

Referring to published statements from the Governor and members of the Legislature reflecting on the Board of Administration in connection with the land purchase, President Guthrey branded them as "damnable lies."

"Let the Governor or this committee produce their facts and we will meet them any time or any place," Guthrey shouted.

Fred Guthrey, brother of I. S. Guthrey, who drew the contract for the purchase of the Crawford county site, between John J. Stafford, of Marion, and the Board, was exonerated by members of the Board from any wrong doing. He said he had nothing to do with the securing of options but had merely drawn the contract for Mr. Stafford and that he had always been legal adviser for Mr. Stafford.

## DEFENSE MAKES EVERY EFFORT TO WIN TRIAL

Many Witnesses Offered To Break Down Testimony For State

Important Witness Again Drops From Sight.

(By Associated Press)

Cleveland, O., February 15.—A total of 11 witnesses for the defense in the second degree murder trial of Judge William G. McGannon took the stand during the morning, giving testimony tending to break down the state's claim that Judge McGannon was present when Harold C. Kagy was fatally shot May 8th.

Shortly after court opened word reached County Prosecutor Stanton that A. J. Babius, of Bradley, O., who claims to have been kidnapped while enroute to Cleveland last Thursday because "he knew the motive for the Kagy killing" had disappeared again.

## FEDERAL GOV'T TO TAKE CHARGE

(By Associated Press)

Washington, February 15.—Federal medical authorities will probably assume charge of anti-typhus work in New York by Wednesday, Ewing Laporte, Assistant Secretary of the Treasury in charge of public health, announced last night.

Additional facilities will be provided for detecting typhus cases among incoming passengers at the port of New York, Mr. Laporte said.

## MAY BE ABATED AS NUISANCE

(By Associated Press)

Columbus, O., February 15.—Houses of ill-repute may be abated as nuisances under the state laws, according to a decision of the State Supreme Court today in affirming conviction of May Wind, of Steubenville.

## MUSTARD GAS FOILS ROBBERY.

Pontiac, Mich., February 15.—(Associated Press) — Two safe-blowers opened the vault in the Farmers and Merchants Bank at Utica, near here, early today, but were driven back by a wave of mustard gas that had been placed in the vault. The men fled empty-handed.

## PROTECTION IS ASSURED COURT AT WILLIAMSON

Doctors Who Examined Murdered Men Are On Stand

Federal Soldiers On Guard At Court Room.

(By Associated Press)

Williamson, W. Va., February 15.—Assured of ample protection by the presence of Federal troops during the progress of the Matewan trial Judge Bailey and counsel for the state and defense this morning settled down to the task of placing additional facts surrounding the tragedy before the jury.

Dr. Salton, of Williamson, who examined the bodies of the seven detectives killed in the fight was questioned more particularly regarding the bullet wounds in the body of Albert Felts, leader of the detectives.

Felts, the witness said, had been shot four times. Either of two of these wounds would have been fatal. One was in the head, and powder burns showed that the bullet had been fired from a rifle or pistol not more than 15 inches away. Lee Felts, a brother of Albert Felts, the witness said, had been shot in the back. The other detectives fell from rifle or pistol fire.

The testimony was most realistic and was heard with almost breathless silence by the 19 defendants and a court room crowded to capacity.

Dr. C. B. Connelly, who aided in the examination of the bodies, testified along the line followed by Dr. Salton.

## CRUDE IS CUT 10 TO 15 CENTS

(By Associated Press)

Pittsburg, Pa., February 15.—Reduction of from ten to fifteen cents in the price of crude oils was announced here today by the principal purchasing agencies.

Pennsylvania crude received a cut of 50 cents a barrel, making the new price \$3.75. Other reductions included Cabell, \$2.21; Somerset, \$2.00; Somerset light \$2.25, and Ragland, \$1.15.

Ragland was cut ten cents a barrel, while the other grades were reduced twenty-five cents a barrel.

British Ruler Addresses Joint Session On Vital Topics

Expresses Hope For Speedy Tranquility Among Nations

Favors Commercial Treaties With Soviets

(By Associated Press)

London, February 15.—Violence will not solve the Irish problem, King George declared today in his speech from the throne to the two houses of Parliament in formally opening the session.

One of the outstanding sections of his address referred to Ireland. The King said:

"The situation in Ireland still causes me distress. A misguided section of the Irish people persists in resorting to methods of criminal violence with the object of establishing an independent republic. Neither Irish unity nor Irish self government can be attained by this means."

The King's speech was brief, but touched on numerous vital questions confronting the government. At the outset, it referred to the coming conference to be held in London and attended by the representatives of Allied nations, Germany and Turkey.

"I earnestly pray," said King George, "that by this means further progress may be made in giving effect to treaties of peace, in re-establishing of peace and concord in Europe and restoring tranquility in the Near East."

King George expressed himself as favorably disposed toward a commercial treaty with Soviet Russia.

## BILL BACKED BY GOVERNOR LAID TO REST

Action of Miller Bill Postponed Indefinitely.

Constabulary Bill is Believed Dead.

(By Associated Press)

Columbus, O., February 15.—Following lengthy hearing today the Senate Committee on Benevolent Institutions voted to indefinitely postpone action on the Miller bill seeking to abandon the Crawford county site for a state hospital for feeble minded youth. This bill was backed by Governor Davis.

By a vote of 101 to 16 the House sent the Harding bill providing for a state constabulary to the Committee on Agriculture after it had been favorably reported by the Military Committee.

Opponents of the measure said this action practically killed the measure.

## MOB GOVERNOR STONE POLICE

(By Associated Press)

Sidney, N. S. W., February 15.—During a demonstration of the unemployed here today, Sir W. E. Davidson, the governor, was mobbed and a detachment of the police was stoned.

## IRISH LEAGUE FORMED

(By Associated Press)

Columbus, O., February 15.—An Ohio branch of the American Association for the Recognition of the Irish Republic was formed here yesterday at a state convention of 500 delegates said to represent 1500 members.

# WONDERLAND COLONIAL

## DOROTHY PHILLIPS in "ONCE TO EVERY WOMAN"

"The boasts of heraldry and the pomp of power" are as nothing compared to a mother's love. That is the keynote to this picture, Dorothy Phillips' latest super-production. The adoration won by material success is temporary and fleeting, but mother love is eternal. Thursday and Friday, Bryant Washburn in "Something To Do." Matinee Thursday. Coming—"The Revenge of Tarzan."

Tuesday and Wednesday.

## Tom Moore in "Lord and Lady Algy"

It was not marriage or money or social position that brought the hearts of Lord and Lady Algy together, it was a race of horses, and one of the most thrilling races you have ever seen or heard of. It is one of those photo-plays that you have the good fortune to see once in awhile. Thursday, Friday and Saturday: William Farnum in "If I Were King." Matinee Wednesday and Friday.

### \$2,000 RAISED FOR STARVING TOTAL \$8,000

Incomplete reports received by Treasurer M. E. Hitchcock of the War Orphan Relief Fund showed Tuesday that approximately 2,000 had been forwarded to headquarters since zero hour Saturday.

While these reports were far from encouraging for the committee yet but two township chairmen had given complete reports and several had not been heard from at all by Tuesday noon. It was expected that the fund would be increased considerably by evening.

With the \$6,000 raised in the first effort to assist the starving children of Europe, added to the \$2,000 shown in the report of the last two days the total fund subscribed thus far was estimated at \$8,000. Fayette county must raise \$4,000 to complete its quota, committeemen said.

It has been suggested to one of the workers that the time for forwarding subscriptions be left open and that the people may be given every opportunity to assist in raising the county quota.

It was asserted by members of the executive committee Tuesday that every channel must be worked if Fayette is to take its place with the other counties of the state which have raised their designated amounts.

Some of those who donated first are doubling the amount by subscribing

the second time to forward the cause workers declared.

### FINE SERMON AT ST. COLMAN'S CHURCH

In his sermon Monday evening the Rev. Missionary spoke of death graphically and impressively. He pictured death as the stern sheriff of the Almighty who is continually engaged in administering capital punishment to the children of men.

He said in part: "No one knows who will be summoned to be the victim of the next execution. We must all be ready and at every moment, for he is the least immune against the next shaft of death, who imagines he still has a safe lease on life. When you came to this altar to receive the blessed ashes on your forehead last Wednesday, you bowed down to receive the sentence of death pronounced over you by God; this sentence may be carried out any moment, and the only way to be ready for it, is to be always prepared. Then far from dreading death, you will welcome it as the kind messenger beckoning you to the life beyond that knows no death."

Tuesday evening's topic will be "Judgment." Everybody will be heartily welcomed.

### RED CROSS MOVES TO NEW QUARTERS

Because of changes which are being made in connection with the moving of the Post Office from Court street to the Cherry Hotel block on North Main street the Fayette Red Cross Chapter has taken up its new quarters in the room formerly occupied by the Fayette Auto Club and has also taken over the room adjoining.

Miss Mary Robison, Probation Officer, has offices in connection with the Red Cross department. The two rooms are connected with the Y. W. C. A. rooms which front on Market street. Harry Rodecker who has leased the offices on the corner of Main and Market and which the Red Cross formerly occupied, has placed a force of men at work remodeling the rooms for his occupancy. The Rodecker News Stand will be moved as soon as the remodeling is completed.

### FIRST TOWNSHIP TO EXCEED QUOTA

Jefferson township reported to War Orphan Relief headquarters Tuesday morning that its quota, \$1000 to care for 100 starving orphans in Europe had been exceeded.

It is the first township in the county to exceed its quota. Howard Hegler is Chairman of the Jefferson township relief workers.

### ASKS COURT TO CONSTRUE WILL

Charles Grimes, as executor and trustee of the last will and testament of Julia E. Hyer, deceased, has filed petition in the Court of Common Pleas making Marie Burns and others defendants and asking the Court to construe certain parts of the will of Julia E. Hyer.

The will provided that a farm known as the Anson Mallow farm in Ross county, containing 236 acres, be operated by the Executor for a period of three years, the proceeds going to Amy Burns, and at the end of three years the farm to be sold and certain proceeds invested in other land for Amy Burns and her heirs.

Amy Burns having died, the executor is uncertain as to the proper disposition of the proceeds of the farm and the amount to be re-invested in land for Amy Burns and her heirs. He asks the Court to determine the proper steps in the case.

Post & Clyburn for plaintiff.

### ED HYER AGAIN FACING PRISON

Edgar Hyer, 36, was sentenced to state prison from this county two or three years ago on a charge of forgery, and who narrowly escaped prosecution on another charge or two, is once more in serious difficulty, according to newspaper reports from Columbus, where he is held on a charge of forgery.

Hyer it will be remembered, owned a threshing machine, and was widely known in eastern Fayette, southwestern Pickaway and Northwestern Ross counties.

His latest escapade is told by the Ohio State Journal of Tuesday which says:

"Driven to ruin by a woman, as he put it, Cary Edgar Hyer, 36, was lodged yesterday in city prison, facing seven charges involving bad checks. His home is at Circleville, but he had been rooming recently at 559 N. Twentieth street.

"Hyer was arrested Saturday on a charge of failure to provide.

"Two years ago Hyer was convicted of forgery and served 18 months in the Ohio penitentiary. When nabbed he said, 'I am going to hell fast, all on account of a woman.' When facing punishment again on the similar charges, he repeated the old story of his domestic difficulties. He said his wife left him, sued for divorce, got it, and then married the man with whom she ran away."

### FOLLOW EXHIBIT WITH ART SHOW

Following close upon the Art Exhibit conducted by Washington High School last week comes the announcement that on Thursday evening at the high school auditorium an art show out of the ordinary will be given.

The show will be divided into two parts. "A Glimpse of European Art Galleries" and "Living Pictures." Illustrated slides are used in the first part of the presentation.

The main part of the Art Show comes with living pictures posed by high school students with the colors of the representation carried out in detail. Those who have seen the rehearsals state that the living pictures will be one of the most beautiful presentations ever shown here.

Musical setting will be given with a program which will be rendered by Mrs. Ruth Reid Penner.

The high school students and the History of Art Class of the Y. W. C. A. are preparing the show and are making every effort to make it a success.

### HIGH SCHOOL TAKES A BLOCK OF SEATS

Indication that many local basketball fans will attend the South-Central Ohio basketball tournament was shown Monday when Washington High School applied for a block of 25 reserved seats.

The majority of these have already been applied for by the students. They may be secured by calling the high school building.

Scores of local people will attend but a reserve seat will insure getting into the building for any of the games state local school officials.

### POPULAR PICTURE AT THE COLONIAL

The Colonial theater has a popular attraction on Tuesday and Wednesday in Tom Moore in "Lord and Lady Algy."

This drama of society with its racing strain and attendant excitement is said to give Tom Moore the opportunity of his career.

The story is a dramatic comedy, its tragic moments brought about by Lord Algy's loss of fortune on the running of the famous English Derby. The way in which Lady Algy saves her husband and teaches him a lesson causes a succession of thrills. The setting are picturesque.

### TO TAKE TREATMENT

To receive treatment for tuberculosis Homer Olinger and Wilbur Olinger, brothers, left for the Mt. Logan Tuberculosis Sanitarium Monday.

### JEFFERSON WANTS ANOTHER TRUCK

Jefferson township trustees are arranging for the purchase of an additional truck to be used in that township in repairing the highways.

At present two trucks are used by Jeffersonville, one belonging to the county and the other to the township.

The additional truck will be added within a short time.

Charles Adams to Oat Gillmore lot No. 98, Washington, Improvement Co. \$1.00.

### MAY BE YEARS BEFORE THE NEW POST OFFICE BUILT

Regardless of the fact that many years have elapsed since the appropriation of \$80,000 was made for the erection of a federal building in this city, indications are that several additional years will elapse before the building is actually constructed.

It will be recalled that the government expended some \$20,000 for the corner site immediately south of the Presbyterian church, and that because of high chunks of concrete foundation never removed from the premises, and the annual crop of weeds, the site has been anything but pleasant to look upon.

However local business men are not worrying over the slow manner in which government red tape unwinds, and have long been satisfied with the postoffice located in memorial hall building.

Moving the postoffice to the Cherry Hotel site, it is pointed out, greatly inconveniences the bulk of the business district, and with an additional move of one square to the government site, still greater inconveniences would result. To use the words of one business man "efficiency is sacrificed for an imposing building outside of the business district."

### OPEN OFFICE ON EAST COURT

D. W. Schneider, who recently vacated the Cherry Hotel block room to be used for the post office, has temporarily established his office at his residence on East Court street, where he also has his stock of plumbing and electrical goods in a building on his premises.

### CLARK COUNTY AFTER VIOLATORS

Fayette county is not alone in the announced step to compel observance of the law as it effects youth in pool rooms, Clarke county having undertaken to bring violators to justice.

In many of the pool rooms in Springfield boys under 15 years of age were found in abundance, and steps are being taken to cause arrest of the proprietors who permitted the violations.

In at least one instance a boy under 16 years of age was taking part in a gambling game.

Success has made a fool of many an otherwise sensible man.

## The Other Side

So indispensable a part of the "industries" of the country have the movies become that it came as a big shock when one of the big movie makers of the country not long ago called attention to the fifteenth anniversary of his pioneer attempt.

It seems impossible now, accustomed as we are to the photoplay as one of the every-day things, creating no more stir than any other of the usual pleasures of life, to realize that our grandparents never dreamed of a movie and that less than a score of years ago moving photoplay was a marvel.

The progress of the cinematograph is entitled to rank with one of the wonders of the age. Its development into one of the large industries of the country has provided work, both mental and manual, for hundreds of thousands, and has developed genius which has apparently accomplished the impossible. The limitations of time and space have practically been eliminated.

The movie theater is much criticised and cited as a bad influence upon young people. There has too often been reason for this and undoubtedly many films should never have been shown, yet in the general reckoning, there is reason to believe that the movies have done more good than harm.

They drew many men and boys from the saloons before they were closed by prohibition; they have proved a place of rest and entertainment for thousands whose lives afford little opportunity for pleasure, and they have familiarized people who have enjoyed few advantages with all the world—its scenic beauties, its peoples and customs, its animal and bird life, its great wheels of industry—hardly a phase of life but has had its reproduction on the moving picture screen.

Unfortunately with the higher class of pictures there have been others suggesting crime, creating false standards, especially before recent censor laws, often vulgar and sensational—but the scales after all will balance pretty strongly on the side of the picture show.

We hope that recent cleanup of movies, with "rough stuff" heroes who are criminals and salacious incidents thrown into the discard, will be followed up throughout the country.

## A Bad Habit

It has been said that only one person in every ten is punctual. We can hardly believe such a liberal statement, but there is no denying that lack of punctuality is a very common fault.

It is also a very annoying fault and a very unpardonable one. To the person who is always late tardiness may seem too small a thing to be magnified into a fault, but is it?

A meeting of busy men is called. They assemble at the appointed time to find one of their number not yet arrived and can do nothing until his arrival.

The tardy man is actually robbing the other men of their time and his being late quite probably means, not only inconvenience, but real loss and trouble to them.

The fact that his own time may be less valuable is no excuse—he has deprived the others of time that belonged to them and their interests.

A woman fails to keep an appointment until long after the time at which other members of her committee get together. She may have cost them an hour's much needed work in the home, a visit of cheer to a sick friend, or a neglected business matters straightened out.

The tardy ones have not the least intention of injuring any one. In all probability they think nothing at all about it. Something unexpected comes up, an interesting book is almost finished or the fast-going time was not noticed till the hour was passed.

Lack of promptness is a careless habit, acquired before it is realized, but it is also a distressing habit and should be firmly broken.

If you have never learned to be prompt, turn over a new leaf right now.

## POETRY FOR TODAY

### RECOGNITION

I walk along the noisy street,  
Demeanor calm, my clothing neat,  
And not a soul of all I meet  
E'er turns to look at me.  
My elbows jostle pomp and wealth,  
My eyes behold disease and health,  
Some walk in pride and some in stealth,  
Few in humility.

And multitudes rush to and fro,  
As if they had some place to go,  
And only had an hour or so  
To reach their journey's end;  
Some seem oppressed by cruel wrong  
Some lips are fashioning a song,  
Yet out of all the restless throng  
I never glimpse a friend.

I go and walk among the trees,  
And note the branches in the breeze,  
Their graceful boughs make courtesies  
In recognition sweet:  
The fragrant flowers and waving grass  
Say "howdy" to me as I pass,  
For nature is not cold and crass  
Like life in city street.

—Los Angeles Times.

## TEN YEARS AGO

Herald News This Date 1911

A deal of considerable importance to the business interests of Washington was consummated Tuesday night when a special meeting of the directors of the Washington Manufacturing Co. (chair factory), the resignation of E. A. Ellies, president and general manager was accepted.

Following the acceptance of Mr. Ellies resignation the directors elected Mrs. J. M. Willis to the office of president to fill out the unexpired term. No action was taken to fill the office of general manager, but it is considered probable that Mr. Roy O. Young, secretary of the company, will succeed to that position.

## WIFE TAKES HUSBANDS ADVICE

And Is Made Well Again  
by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My husband asked me to try Lydia E. Pinkham's Vegetable Compound to see if it would not help me. For the first

four months I could do but little work, had to lie down most of the time, was nervous and could eat hardly anything, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children this last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. M. NATALE, 72 Fremont St., Springfield, Mass.

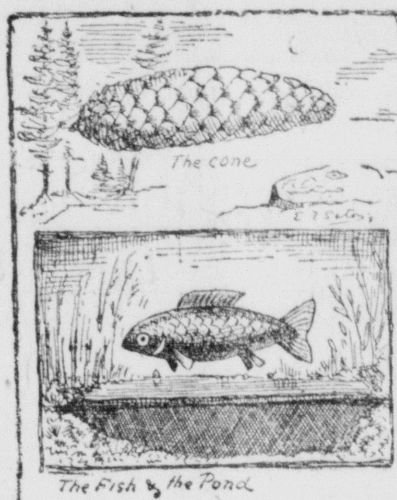

Sickly, ailing women make unhappy homes, and after reading Mrs. Natale's letter one can imagine how this home was transformed by her restoration to health. Every woman who suffers from such ailments should give Lydia E. Pinkham's Vegetable Compound a fair trial. It is surely worth while.

### THE FISH AND THE POND

(Copyright, 1920, by The Wheeler Syndicate, Inc.)

Go out and get the cone of a Norway Spruce tree, or a white spruce; this is the body of your fish; cut two round spots of white paper for eyes, glue them on, and when dry, put a black ink spot in the middle of each. Add a curved piece of paper on each side for gills. Then with an awl or with the points of a scissors make holes in the sides, in which put pins cut out of brown paper, fixing them in with glue. Then with the knife blade, make a long cut in the back, and split the tail, and in each cut glue a thick piece of brown paper cut in shape. When dry, draw lines on these with ink. Now you have a good fish.

For the pond, take a cigar box, paint the lower quarter of it dark green, and the upper part shaded in to light blue, for sky. Glue a piece of glass or else a car window celluloid level across this near the bottom. This is for water. Hide all the back and side edges of the glass with clay banks, or with moss glued on. Put a fine black thread to the fish's back, another to his tail, and hang him level above the water by fastening the threads at the top of the box. Label it "Pond Life" or "The Fish at Home."

THE Indian maiden walked flat on her feet, in her soft, easy moccasins. She never had foot annoyance. She had "happy" feet—because they were supported underneath their whole length—Nature's plan! Today you can enjoy the foot comfort of the Indian maiden, and yet wear shoes that conform to the latest ideas of style. The ARCH PRESERVER SHOE gives the same result when wearing heels as when the foot is walking flat on the ground. It is for well feet—yet it affords relief for practically all ordinary foot troubles.

## RANDOM NOTES

### SOCIAL : PERSONAL MENTION : CLUBS

Honoring her birthday anniversary Mrs. William H. Lipsett was given on Monday evening by the Tuesday Kensington Club a surprise party that was a red letter event in the club annals as spontaneous and delightful an affair as could be conceived.

Arriving at the Lipsett home while Mrs. Lipsett, serenely unconscious and decoyed by her husband was at the picture show, the club women and their husbands had the house brilliantly lighted and enfeet when they returned.

Mrs. Lipsett is a charming woman and an exceedingly popular member of the club, and has given so generously of her time and effort to welfare and local philanthropic work, that she has made a distinctive place for herself in community interests. Although taken so unawares she recovered her poise at once and responded gracefully to the shower of good wishes and a beautiful gift of a luxuriantly flowering begonia.

The evening passed merrily with seven tables engaged in a game of "500" which was brought to a close by the serving of a delicious two course luncheon. The St. Valentine idea was prettily introduced in the lunch, hearts in the ice cream and courses, and each individual birthday cake bearing a tiny flaming candle.

The prizes were old fashioned Valentines which added to the gaiety. Mr. Harry Sheets, of Pittsburg, was an out of town guest.

The Chi Delta Chi girls honored the first of their number to enter the marriage lists, Mrs. William J. Smith

(nee Helen McKee) with a surprise shower at the home of Miss Kathryn McLean Monday night.

It was a beautiful party, artistically planned in happy accord with St. Valentine's very apropos fet day.

The shower, which supplied the bride with a complete kitchen outfit, took place in the dining room, where the guests were invited for a delectable collation. The table presented a charming picture, with its central adornment a crystal basket of pink carnations and greenery, tiny pink baskets filled with candy hearts at each cover and the favors Valentines in which cunning little boys presented nose gags to each guest.

Following the collation the gifts, daintily wrapped, were placed on the table and opened by the bride with many expressions of appreciation.

Mrs. Smith was looking very lovely in one of her trousseau gowns of black Kumsa Kumsa with border of red roses stamped in the hem, kimono waist of the group of pretty girls sponsoring the affair, Misses McLean, Mary crushed in long waisted girdle and black satin pumps, and was the center.

Brown, Dorothy Dick, Mary Hanna Bliss, Elizabeth McDonald, Jessie Sunkle, Florence Bliss, Charlene Tharp.

Miss Dorothy Fullerton was a most attractive hostess at a little dinner of eight covers, Monday evening.

The table was very lovely, the St. Valentine idea carried out in pink and white, and unique St. Valentine conceits adding to the pleasure of the evening.

Miss Helen Fretts was the promoter of the Valentine party given by the Epworth League of the Grace Methodist church in the church parlors, Monday evening.

More than fifty enjoyed the delightful evening with a number of contests planned for their entertainment. The first contest was a "House for Two" followed by "Sweet Sister Sue, Cupid

Darts, St. Valentine's Day; and a very amusing pop-corn contest.

The opening of the Valentine box created much fun. The Loveland orchestra played several selections, and the committee assisting Miss Fretts served delicious refreshments.

A dozen young women of Mrs. Charles F. Ballard's Sunday School Class W. H. O. of the First Baptist Church were pleasantly entertained at the home of Miss Gladys Nelson, Monday evening.

The rooms were attractively decorated with hearts in keeping with Saint, Valentine's day, and the same idea was carried out in the tempting refreshments served by the hostess, and her sister, Miss Mabel.

There was a short business session, in the earlier part of the evening.

One of the most delightful of the younger folk Valentine parties was entertained by Miss Helen McCune at her home on South Fayette street.

Red hearts were lavishly used in decoration and tiny ones given as favors, the heart idea also carried out in the dainty refreshments served.

The evening was made merry with a variety of games, contests, in which prizes were won by Helen and Roy Thompson, and George Bean. The greatest delight of all was a fortune telling booth. Dancing to Victrola music also contributed to a gay evening.

The pretty young hostess was assisted by her mother, Mrs. Homer McCune, and Mrs. Lynn Smith.

The guests were: Misses Beatrice White, Dorothy Moore, Louise Delinger, Frances McCoy, Edna Hyer, Margaret Heath, Pauline Arahod, Helen Thompson, Lillian Thompson, Dorothy Weyer, Gladys Watson; James Watson, Frank Beck, Clyde English, Dale McMurray, LeRoy Thompson, Glenn Arahod, Frank Delinger, George Bean, Frank Brown, Forest Smith, Ralph Miller.

Miss Elizabeth Johnson added a jolly little Valentine supper to this week's social calendar, Monday evening. A Valentine box followed the supper.

Mrs. Fred Weller gave an enjoyable little Valentine party Monday evening for Mrs. John Marx and children, Paul, Virginia and Bertha May, Mrs. G. A. Coomer and children Kenneth and Wanda, Eleanor Matson, Mrs. O. Toops and Mrs. Edwin Hidy.

A Valentine box and dainty refreshments added to the pleasure of the evening.

Cleo, the oldest daughter of Mr. and Mrs. Robert Masters of East Elm street entertained eighteen girls and boys Monday evening with a Valentine party.

A Valentine box provided fun for the guests and games and Victrola music were also enjoyed.

Mrs. Masters and Mrs. Ollie Walker assisted the former's daughter in hospitalities and served light refreshments.

Participating in the affair were Dorothy Dean, Goldie Cummins, Marie Honel, Goldie Mansfield, Valada Stritenberger, Beattie Pickens, Juanita Pickens and Frances Mitchell, Robert Swartz Roy Masters, Robert Polles, Robert Fletcher, Guy Underwood, Ralph Allshire, Lewis Honel, George Sovers, Kenneth Bonocutter and Theodore Merritt.

The Masonic Social Club announce an informal dance for Thursday evening, February seventeenth.

Jimmie Dick's Pepsters have been engaged for the occasion.

Mrs. Maude Coffman returned Monday from a visit in Chillicothe, where she attended a number of social affairs and a special session of the Century Club.

Mrs. Alice Moorman was in Columbus the first of the week visiting her sister, Mrs. David L. Thompson.

Mrs. Willard Story returned Monday from a visit in Cleveland. Mr. Story remaining at the home of his sister, Mrs. Dixon Fullerton, a few days longer.

Mr. Glenn Rodgers returned Monday evening from Indianapolis, leaving Mrs. Rodgers with her sister, Mrs. George James who is a victim of sleeping sickness, and in a serious condition.

Mr. W. E. Summers, little daughter Caroline are guests of Mr. Summers' parents, Mr. and Mrs. H. C. Summers in Jackson. They will return Wednesday.

Mr. and Mrs. John W. Gale, of Zanesville, are the guests of their son Rev. Floyd Gale and family.

Mr. Harry Kneisley of Owensboro is the guest of his cousin, Mr. William Nelson for several days.

Mr. and Mrs. Jess Feagans, and Miss Naomi Scott were in Wilmington,

Monday evening to see "Take It From Me," at the Murphy theater.

Mr. Harry Sheets of Pittsburg is spending a few days with his sister-in-law Mrs. Lulu Sheets enroute from Middletown, where he attended the funeral of his sister, Mrs. Palmer. Mrs. Sheets was also in Middletown for the funeral.

Mr. Glenn Griffith and guest Mr. Fisher of Columbus, accompanied Mr. Griffith's father Mr. Charles Griffith and brother Ray, and Miss Fern Sunkle to Wilmington, Monday evening to see the musical comedy "Take It From Me."

Mr. and Mrs. Washington Lough of Good Hope attended the theater in Wilmington, Monday evening.

Mr. and Mrs. C. A. Briggs, Mr. and Mrs. Perce Pearce were in Wilmington Monday evening for the theater.

Mr. and Mrs. Kerns Thompson, Mr. Guy Linton, Miss Elizabeth DeWees, Dr. and Mrs. Roy E. Brown were in Covington, Ky., Tuesday to be guests at the marriage of Mr. and Mrs. Thompson's daughter, Miss Iris and Mr. Joseph Patterson.

Mr. and Mrs. G. Damon Baker, Mr. Ed Reaser and Miss Mary Marshall motored to Wilmington Monday evening, to see "Take It From Me."

Mrs. Elmer Noble is confined to her home in Millwood with glandular la grippe.

Mrs. Georgianna Glascock and daughter, Miss Helen, were visitors in Columbus, Tuesday.

Miss Goldie Ryan spent the week end in Chillicothe, the guest of her cousin Miss Gail Pyley, who wedded, Mr. Delbert Vaughn, Monday afternoon. Miss Ryan played the wedding march.

## DEATH CONQUEROR AFTER BRAVE FIGHT

After a brave fight, in which his buoyant spirit never gave up, Mr. Harry L. Dore, widely known showman and manager, passed quietly away at the Dore homestead on the Columbus pike Tuesday morning at 3:15, aged 44 years. Mr. Dore's death at an age when he had every right to expect many years of activity is sad beyond words and brings deep sorrow to his family and a large circle of friends. He was the son of the late David Dore and is survived by a widow and one son, Harry Jr., and two sisters, Katherine and Mary, who are the only ones left of the family, and to whom sympathy goes out warmly.

Mr. Dore was a successful and popular showman, one of the owners of the "Rice & Dore Water Carnival" for years, and later connected with the Wortham Carnival. For the last three years he has been ill, and two years ago was operated upon by Dr. Mayo, at the Mayo Brothers Hospital in Rochester, Minn. Following the operation he recuperated at the home with his sisters and later went to housekeeping with his family on North street. Last March ill health again took him to Rochester and he spent eight and a half months there under the care of the Mayos, apparently improving at first, but in November the Doctors gave him up and he left the hospital.

Throughout the entire time of his illness his optimistic courage and bravery won for him the admiration of all with whom he came in touch. In every way he aided the efforts of skilled physicians and his family as they put forth every effort for his recovery.

Mrs. Dore was with her husband a good part of the time that he was at Rochester, going to the far west to look after their show interests when he seemed to be recovering. His sisters also visited him there. Funeral services will be held Friday at two p. m. at the Dore home and burial will be made in the Washington cemetery.

## PLAY TWO GAMES

Two games were played in the Hi "Y" basket ball league Monday with the Drys defeating the Wireless Club 16 to 14, and the Profiteers handing the same treatment to the Bolsheviks 21 to 18.

In the first game DeWees and Ro-decker tried hard for the Wireless Club and Davis and Rogers were the main point producers for the Drys. Jones made 17 of the Bolsheviks' 19 points in the second game.

## PICNIC SUPPER

## COMMISSIONERS PLAN TO MAKE USE OF STONE

Inexhaustible Supply of  
Limestone in Southern  
Fayette To Be Tapped.

## Will Be Used in Rebuilding And Repairing the Roads Of County.

If present plans of the Fayette County Commissioners and township trustees go through, Fayette county highways will very largely be rebuilt and kept in proper condition by the use of limestone from the southern part of Fayette county, where the supply is abundant and can be produced at considerably less expense than stone obtained from 25 to 100 miles from this city.

Not only is it planned to establish a crusher and have it operated on a large scale, but it is believed that an abundant supply of stone of high quality will be available at all periods of the year where it is not possible to obtain stone from other sources when needed most.

If the plans of the commissioners and boards of trustees go through, at least a number of townships in the southern and central parts of the county will obtain their road building material from the quarry to be established in the southern part of the county and it will be operated to produce stone for various boards of trustees and the county also.

The stone is generally of a very high grade and can be produced in abundant quantities, it is believed, and furnished work to many persons.

At the present time a big quarry and a crusher are located on the Leesburg pike south of "Georgetown" and throughout that community the lime crops out at the surface.

Along Rattlesnake, Sugar creek and Paint creek the lime, in the southern part of Fayette, is of great depth and easily reached. Little quarrying is necessary to obtain an abundant supply for crushers of great capacity.

So far the arrangements for the crusher have not been thoroughly worked out, but within the near future it is believed this will be done and that by early spring the crusher or crushers will be working full time producing the stone.

By the aid of trucks and well improved roads leading to the crusher, it is possible to move the material rapidly at all points within ten miles of crusher.

## ORDERS PAPERS BACK PROMPTLY

Judge C. A. Reid in Common Pleas Court, has issued the following orders relative to prompt return of legal papers taken from the offices of the court, requiring that all pleadings be filed in duplicate, and the original papers be retained in the office, the duplicate being available to those wishing to remove it from the office for a short time:

"It is ordered that all Attorneys and persons having original Court Papers and Pleadings of any kind pertaining to actions, heretofore pending in this Court shall within ten (10) days from the date of this order return such Papers and Pleadings to the Clerk of Courts and thereafter none of said papers shall be removed from the files of this Court except for the purpose of permitting Attorneys to make copies thereof, and then the original shall be returned to the Clerk within a period of five (5) days from the removal thereof.

"It is ordered that all Pleadings filed with the Clerk of this Court after this date, shall be filed in duplicate, the original thereof to remain permanently in the Clerk's Office, and the duplicate to be used for the benefit of other counsel in the case upon their giving proper receipt to the Clerk for the same."

## BIBLE STORY TRIAL THURSDAY EVENING

The second elimination trials of the Bible Story contests being conducted by the Boys' Division of the Y. M. C. A. will be held Thursday evening.

From among the numerous entries three winners will be selected to take part in the finals in April when silver loving cups will be awarded. Contestants are limited to three minutes in telling their stories and judgement will be passed on points of accuracy in detail, historical significance, and delivery.

Judges are Supt. William McClain, J. E. McLean, H. C. Ireland, and Charles B. Johnson. The public has been invited.

## Milk Toast Diet Too Much For Her

"I doctored for years with only temporary relief. My liver was very bad, after eating I would always have such a fullness in my stomach and my heart would palpitate. I could not eat milk toast without distressing me. Since taking a course of Mayr's Wonderful Remedy, more than a year ago, I can eat anything my appetite desires." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Blackmer & Tanquary, Frank Christopher and druggists everywhere.—Adv.

### BANKERS WIN TWO FROM DAYLIGHTS

In league games on the Y. M. C. A. alleys Monday evening the Bankers added to their percentage by winning two out of three games from the Daylight bowlers.

The Daylights were winners in total number of pins but failed to get their high scores at the opportune time. After dropping the first game by well over one hundred pins the Bankers proceeded to win the next two. Willis was high man of the games with 211, while Geibelhouse counted 207 maps in his first effort.

## When is Milk Unsafe For the Human Body?

Milk is unsafe for use as food whenever it is of a doubtful quality or whenever its purity is questionable, and its purity IS questionable whenever the methods employed in handling are not approved from a sanitary standpoint.

ANY HERD of dairy cattle may be tubercular infected; even a state-owned herd under the eyes of officials was. But perfect methods minimize the danger. Our methods minimize the danger through pasteurization and filtration.

### CROWS ASSEMBLE BY THE THOUSAND

Eastern Fayette county is experiencing a plague of crows which spend the daytime in the fields and roost in certain tracts of woods where they make the early evening and early morning hideous by their noisy calls.

Tens of thousands of the crows congregate at the roosting places, and the farmers in the community are planning a wholesale raid on the birds to drive them away, claiming that they damage their wheat and also eat a large amount of corn.

Gray matter is all right in its place—and so is the long green.

### SAVE TIME, MONEY AND ANNOYANCE THIS WAY

—By bringing your car to us for whatever repair it needs you save time and annoyance, because we are equipped to handle any part of it. And you will save much in the cost because so many repair jobs are closely related and their costs overlap when "peddling" them from place to place. And then, too, our charges are reasonable.

**BAD BREATH**  
Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the sub-stitute for enemas, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.  
Dr. Edwards' Olive Tablets act gen-tly but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous cathartics do without any of the bad after effects.  
All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.  
Dr. F. M. Edwards discovered the formula after seventeen years of prac-tice among patients afflicted with bowel and liver complaint, with the attendant bad breath.  
Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

**TOURNEY OPENS FRIDAY MORNING**  
*Washington High Will Play Three Games Under New System of Play.*  
*McClain Is Picked By Many To Repeat Last Year's Performance.*

Washington High School sends its basketball team this week-end to Greenfield where it will take part in the South-central Ohio Tournament under the auspices of McClain High, Friday and Saturday, February 18 and 19.

The Blue and White will play three games under the new arrangement of the tournament which provides that each team play a certain number of games instead of playing under the elimination system as in past years. Washington's first game will be Fri-day evening with Hillsboro High. Sat-urday afternoon the second game is played with Chillicothe and the third game is the last on the tournament with McClain High on Saturday even-ing.

There are ten teams entered in the tournament. The schedule sent out by E. L. Harris, Principal of the Greenfield schools, is as follows:

Friday morning 10:00, New Vienna vs. McArthur; Friday afternoon 2:00, Winchester vs. Kingston; Greenfield vs. Chillicothe; Leesburg vs. McAr-thur. Saturday night 7:00, Winches-ter vs. New Vienna Washington vs. Hillsboro; Kingston vs. Leesburg.

Saturday 9:00 a. m., Winshester vs Leesburg; New Vienna vs. Kingston; Saturday afternoon 2:00, Greenfield vs. Hillsboro; Washington vs. Chilli-cothe; McArthur vs. Kingston; New Vienna vs. Leesburg. Saturday night 7:00, Hillsboro vs. Chillicothe; McArthur vs. Winchester; Greenfield vs. Washington.

Although the officials of the schools

entered in the tournament are not predicting victory for any team yet the odds seem in favor of McClain High, the winner of last year's tour-nament and which is selected by many to repeat.

Although Washington High has lost more games than any team entered in the tournament yet its chances to be one of the main contenders for the championship are not dim. All three teams Washington will meet in the tournament boast victories over the Blue and White. Washington has one victory over Hillsboro 18 to 15 but last the second meeting 9 to 8. Chillicothe won over Washington 21 to 14 and McClain defeated the lo-cals 24 to 3.

Coach Moorhead's men are in con-dition to make a battle against odds for the championship and Washing-ton High is preparing to back its team to the limit.

**SEVEN CANDIDATES TAKE KNIGHT RANK**

Confidence Lodge Knights of Pyth-as conferred the Rank of Knight up-on seven candidates Monday night, the work being put on in fine form, the activity and ability of youth being much in evidence.

The music was a special feature. Harvey's Orchestra, all its members being Knights, gave inspiration to the drills, and there were choruses also.

Richard Haynes gave a solo and was warmly encored.

Visitors were many. Two score came from Frankfort. Following the work refreshments were served.

Next Monday night the Rank of Page will be conferred.

**SUFFERED THREE LONG YEARS WITH STOMACH TROUBLE THEN HE TRIED EARLE'S HYPO-COD**  
Now Advises All Sufferers of Stomach And Bowel Troubles to Use It.  
**IT BROUGHT RESULTS IN VERY SHORT TIME**  
"I suffered from stomach and bowel trouble for over three years, have doc-tored and tried most every thing any one recommended, but of no avail.  
"My symptoms were: I had severe pain in hy side and lower part of stom-ach and bowels, caused from indiges-tion and gas formation. I could not sleep and had lost fifty pounds in weight in a very short time.  
"I live in East Palestine, Ohio, but come to Columbus for the winter and before I left home a friend advised me to try some kind of a tonic to build me up, so I bought Hypo-Cod because I saw it advertised in the local paper and noticed a change in a very short time. I have now taken four bottles and feel very much better. The pain in my side is almost gone. I can sleep alright and have gained in weight.  
"I now recommend Hypo-Cod be-cause it has done me a lot of good and will keep on taking it until I am well again. I would advise anyone suffering from stomach or bowel trouble to try it," declared Mr. M. W. Boyer, (a re-tired banker), living at East Pales-tine, Ohio.  
The statements of many people have been published. To print all that any of them say requires too much space. Read between the lines. Tele-phone or call upon them if you are skeptical. Write and enclose a stamp-ed envelop for reply. Or better still—just go down to the drug store and buy a bottle or two. Results speak louder than words. The druggists of the country wouldn't be so loud in their praise if it wasn't the best made. (Read formula on bottle).  
Earle's Hypo-Cod is sold here by all good druggists and the leading drug-gists in all nearby towns.—Advt.
